Veterans Day Tribute

To all our Veterans

November 6, 2022

2 PM

Closure • Gratitude • Respect

War memorials in Washington, D.C. were built as tributes to the service and the ultimate sacrifice of America's Veterans.

We believe it is vitally important for every WWII and Veteran through 1966 and "Rosie the Riveter" to have the chance to visit and experience THEIR memorials. Our aim is to give them the long overdue gift of thanks and memories that will fill their hearts, for the incredible sacrifices they made in the name of Freedom so many years ago!

There is no time to waste; we are losing our senior Veterans at a rate of 900-1000 per day! These heroes are now in their seventies to mid-nineties and time is NOT on their side.

Vets Roll 2019 marks the 2000th Veteran and Rosie to take this memorable journey to see THEIR memorials in Washington, D.C.
